Subject: Landfill monthly report

During the month of May we did daily operations as usual. Class I year to date total tons 2,795.58. Year to date daily average for Class I 19.87 tons. Class III year to date total tons 4,512.31. Year to date daily average 30.48 tons. Landfill crew is hauling dirt daily from Class III expansion area to use as cover dirt for household and Class III. Still working on moving dirt and tires from old road entrance, creating air space for future Class I trash. Landfill crew is down one employee, new employee will be starting on June 7th. Safety meetings covered safety covers and guards, identifying safety hazards, and preventive maintenance. Will be working on dump trucks in the month of June. 938H loader and Sterling Acterra water truck services will be completed during the month of June. Routine maintenance and service completed on equipment and vehicles as needed.
